15 & Under Girls Breakaway
19 & Under Girls Breakaway

12 & Under Tiedown
15 & Under Tiedown
19 & Under Tiedown

Age as of January 1st, 2022 - Contestants may only qualify one time per age division. Contestants may compete in more than one age group. **A birth certificate must be submitted with the membership form.**

Required \$100 Membership - Contestants must pay a one-time yearly membership of \$100, **prior to competing in their first qualifying event.**

****NEW FOR 2022**** – **A \$50 side-pot fee per entry must be paid prior to competing to be eligible to qualify.** – These fees will be 100% paid back at the Junior World Finals as added money for the age division they are paid into at the qualifiers.

How to Qualify: 1st place average winner of each qualifying event, per age division, automatically qualifies to compete at the Junior World Finals (must be a member & must have paid \$50 side-pot fee). In the event, that the average winner is not a member and did not pay the side-pot fee, or has already qualified, we will drop down to the next member with paid side-pot in the average to fill the qualification average position.

Points will be assigned at each qualifying event throughout the season. (information below)

We plan to take 35 ropers for each age division to the Junior World Finals.

We have the right to adjust this number if situations arise that would require us to do so.

These 35 ropers will be:

- The average winner from each qualifying event (with paid membership & side-pot)
- National Champions (NJHRA & NHSRA Breakaway & Tiedown)
- the remaining spots will be filled with the top year-end point winners

The National Champions will be placed in the appropriate age division determined by their birth dates. The National Champions must purchase a membership prior to competing at the Junior World Finals. All qualifiers must complete the required paperwork & have entry fees paid by the assigned deadline. If a qualifier chooses not to enter the Junior World Finals, a replacement will be chosen.

After all qualifying events are completed, we will announce the top year-end point winners.

In the event, a member has already qualified, we will drop down in the year-end points to the next position until all places are filled.

Points will be awarded to members that paid to enter the side-pot, as follows:

<u>Average</u>	<u>Rounds</u>	<u>Short-Go (if applicable)</u>
1 st – 9 points	1 st – 6 points	1 st – 3 points
2 nd – 8 points	2 nd – 5 points	2 nd – 2 points
3 rd – 7 points	3 rd – 4 points	3 rd – 1 point
4 th – 6 points	4 th – 3 points	
5 th – 5 points	5 th – 2 points	
6 th – 4 points	6 th – 1 point	

****The #1 Back Number will be awarded to the roper with the most year-end points.**

For 2022, the #1 Back Number Bonus will be \$2,000!!!

Ties will be broken according to the roper that competed at the most events.

If the qualifying event allows you to enter twice, you must pay to enter the side-pot for both entries. You will only receive points for the highest total entry. The other points will not count.
